*DreamMapper*

Self-management  
system

# Rediscover dreams

# Sleep therapy success\* at your patients' fingertips

## Saving you time, helping your bottom line

By giving patients greater insight into their therapy data and giving them tools like the ability to troubleshoot issues to common problems, DreamMapper can reduce the time your staff spends answering common questions giving you more time to manage those patients who may need extra attention.

## DreamMapper has resulted in adherence success:\*\*

# 22% more adherence

78% adherence rate | 56% adherence rate  
(when using DreamMapper) | (when not using DreamMapper)

\*In a retrospective review conducted by Philips Respironics of approximately 15,000 SystemOne patients, patients who used SleepMapper, which has been rebranded to DreamMapper, demonstrated 22% greater adherence to the therapy than patients who did not use SleepMapper.

\*\*To see which therapy devices are compatible with DreamMapper, visit: [www.dreammapper.com/compatible](http://www.dreammapper.com/compatible).

# Experience DreamMapper

DreamMapper is designed to help patients take more control over their therapy.

“DreamMapper makes my life easy because I can get what I need through EncoreAnywhere.”  
-Susan D., CRTT

## EncoreAnywhere with DreamMapper invitation

In your EncoreAnywhere patient management system, you have the ability to easily invite patients to use DreamMapper and quickly identify patients who already have a DreamMapper account.

## Making it easy to get up and running

DreamMapper works in harmony between the easy-to-use mobile app and the intuitive DreamMapper web site.

The mobile app is available in the iTunes store and Google Play Store.
