EZ-IO[®] Intraosseous Procedural Workshop

At Copenhagen University Panum

Medidyne and Teleflex invite you to attend our Arrow[®] EZ-IO[®] Intraosseous Procedural Workshop at Copenhagen University Panum the 10th or 11th of December 2019.

An interactive and engaging workshop designed to empower practitioners with the knowledge, skills and confidence to use the Arrow[®] EZ-IO[®] Intraosseous Vascular Access System. Each workshop is approximately 3 hours long with an opportunity to get hands on practice using human cadaveric tissue.

There will be a morning and afternoon session each day.

Morning: 09:00 - 12:00

Afternoon: 13:00 - 16:00

To register please click below. You can choose between the morning and afternoon session in the registration form.
