

## EZ-IO® Intraosseous and Airway Cadaver Program Invitation

Teleflex invite you to attend our Arrow® EZ-IO® Intraosseous and Airway Cadaver Program at Copenhagen University Panum 14<sup>th</sup> or 15<sup>th</sup> December 2017.

An interactive and engaging workshop designed to empower practitioners with the knowledge, skills and confidence to use the Arrow® EZ-IO® Intraosseous Vascular Access System and Teleflex's range of airway products. Each workshop is approximately 3 hours long with an opportunity to get hands on practice using human Cadaveric tissue.

There will be a morning and afternoon session each day.

Morning: 09:00 - 12:00

Afternoon: 13:30 - 16:30

To register please click below. You can choose between the morning and afternoon session in the registration form.
